Tuesday	Objective	Enlarge a 2-D image by using grid lines or "xing" technique. Value study	Prepare a work of art for Conference Art show	Students will learn the primary and secondary colors and their position on the color wheel	Students will complete the following lifts Clean & Press, Front Squats,	Prepare a work of art for Conference Art show	
	Activity	Transfer image to large sheet of paper atleast 18x12	Finish a project and matte for presentation at the Art Show	Students will arrange the colors correctly on the color wheel and also use different values of the color	Perform required lifts	Finish a project and matte for presentation at the Art Show	
	Assign	Successfully enlarge a image and shade correctly	Enter a work of art in Art Show	Complete a color wheel	Complete all reps in required time	Enter a work of art in Art Show	
NE SS#							
Wednesday	Objective	Enlarge a 2-D image by using grid lines or "xing" technique. Value study	Prepare a work of art for Conference Art show	6th-Students will design a mask which they will make out of Plaster.	Students will complete the following lifts Clean & Press, Front Squats,	Prepare a work of art for Conference Art show	
	Activity	Transfer image to large sheet of paper atleast 18x12	Finish a project and matte for presentation at the Art Show	Draw possible mask designs	Perform required lifts	Finish a project and matte for presentation at the Art Show	
	Assign	Successfully enlarge a image and shade correctly	Enter a work of art in Art Show	Draw and color a mask design	Complete all reps in required time	Enter a work of art in Art Show	
NE SS#							
Thursday	Objective	Enlarge a 2-D image by using grid lines or "xing" technique. Value study	Prepare a work of art for Conference Art show	Radial symmetry	Students will learn proper cutting and change of direction mechanics	Prepare a work of art for Conference Art show	
	Activity	Transfer image to large sheet of paper atleast 18x12	Finish a project and matte for presentation at the Art Show	Repeat the students name around a central axis	Speed ladder, agility drills, and CHAOS drills	Finish a project and matte for presentation at the Art Show	
	Assign	Successfully enlarge a image and shade correctly	Enter a work of art in Art Show	Complete a composition that has radial symmetry	Complete the drills	Enter a work of art in Art Show	
NE SS#							
Friday	Objective	Enlarge a 2-D image by using grid lines or "xing" technique. Value study	Prepare a work of art for Conference Art show	4th- Create a landscape with foreground, middle ground, and a background.	Student will work on landing mechanics	Prepare a work of art for Conference Art show	
	Activity	Transfer image to large sheet of paper atleast 18x12	Finish a project and matte for presentation at the Art Show	Design a junglescape including jungle animals and plants	Learn proper landing mechanics	Finish a project and matte for presentation at the Art Show	
	Assign	Successfully enlarge a image and shade correctly	Enter a work of art in Art Show	Finish a junglescape with 2 animals in fore, middle and 3 in background using proper technique to create depth		Enter a work of art in Art Show
