

Week of October 31							
Period	1	2	3	4	5	6	7
Subject	Applied Math 1	Applied Math 1B	Pre Algebra	Pre Algebra	7 Math	Business Math	JH Activities
Grade(s)							
NE SS#							
Monday	Object	ID property tax & rate terms, calculate tax levies.	Review Quiz & Test	L 26-30 Assessment	L 26-30 Assessment	L 26-30	Ch 7 Assessment
	Activity	Review homework, terms, practice translations, rounding	Review homework, terms, practice translations, rounding	Power up, mental math, Problem Solving, Work Together, Practice	Power up, mental math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	review homework, practice checking answers, analyze practice problems, practice new concepts
	Assign	6.1	Ch 6 Exam	Exam & Performance Task 5	Exam & Performance Task 5	Exam & Performance Task 5A&B	Ch 7 Test
Tuesday	Object	ID FUTA & SUTA terms, calculate FUTA & SUTA	Distinguish basic pricing variables, calculate selling price, mark up, and cost	Classify quadrilaterals, understand how they relate, use diagram to show relationships between sents, ID a line of symmetry, find order of rotational symmetry of various shapes	Classify quadrilaterals, understand how they relate, use diagram to show relationships between sents, ID a line of symmetry, find order of rotational symmetry of various shapes	Name parts of a whole use decimal fractions, write a decimal as a fraction, ID the place values to the right of the decimal,	Compute the sticker price of a new vehicle, calculate the dealer's cost of a new vehicle
	Activity	Review homework; objectives, practice application	Review homework; objectives, practice application	Power up, mental math, Problem Solving, Work Together, Practice	Power up, mental math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Review homework, practice checking answers, analyze practice problems, practice new concepts
	Assign	6.2	9.1	Investigation 3	Investigation 3	31	9-1, 9-2
Wednesday	Object	Collect information to calculate fed income tax, complete 1040 EZ, calculate tax using 1040	Calculate markup and rate based on cost, calculate cost w/mark up and mark up rate are known	Add integers with the same and opposite signs, problem solve by adding integers, model adding integers on a number line, recognize the additive inverse of a number	Add integers with the same and opposite signs, problem solve by adding integers, model adding integers on a number line, recognize the additive inverse of a number	Recognize metric as a decimal system, convert US measures to metric, use metric to express units of length, capacity and mass in metric, compare F vs. C temperatures	Figure the average retail price of a used vehicle, Compute the annual premium for insurance
	Activity	Review homework, objectives, practice application	Review homework, objectives, practice application	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Review homework, practice checking answers, analyze practice problems, practice new concepts
	Assign	6.3	9.2	31	31	32	9-3, 9-4
Thursday	Object	Collect information to calculate fed income tax, complete 1040 EZ, calculate tax using 1040	Calculate markup amount and rate based on selling price, calculate selling price using selling price, compare mark up	Calculate probability, convert to percentage, express the odds as a ratio, find probability of a specific outcome, understand how probabilities of an event and its complement are related.	Calculate probability, convert to percentage, express the odds as a ratio, find probability of a specific outcome, understand how probabilities of an event and its complement are related.	Compare decimal numbers, round and arrange least to greatest, find length of a segment using a centimeter ruler, locate decimal numbers on a number line, convert from one unit to metric	Compute the total cost per mile of operating and maintaining a vehicle, calculate the total cost of leasing a vehicle
	Activity	Review homework, objectives, practice application	Review homework, objectives, practice application	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Review homework, practice checking answers, analyze practice problems, practice new concepts
	Assign	6.3	9.3	32	32	33 & 34	9-5, 9-6
Friday	Object	Chapter Review	Determine Markdown sale price, calculate markdown rate	subtract integers from another integer by adding its opposite.	subtract integers from another integer by adding its opposite.	add, subtract, multiply and divide decimal numbers	Figure the cost per mile of renting a vehicle, review
	Activity	Practice defining vocabulary, demonstrate mastery skills, analyze story problems w/4 steps	Review homework, practice checking answers, analyze story problems using 4 steps	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Power up, Mental Math, Problem Solving, Work Together, Practice	Review homework, practice checking answers, analyze practice problems, practice new concepts
	Assign	Chapter Review	9.4	33	33	35	9-7 & Chapter Review
