FEBRUARY
2012

Kisha and Aubrey sprinkle some wonderful glitter!

January buzzed right on through. Since we didn't get any snow days, we invited the fourth graders down to help us make our own snowy fun! Our picture this month is Aubrey and Kisha making a blue snowflake with lots and lots of glitter!!! Just when Val thought she had cleaned up the last of it from Christmas...we made a rainbow blizzard! We also talked about Dr. Martin Luther King Jr.

and how important it is for us to use our manners, we learned about the traditions of the Chinese New Year.

February is going to bring a trip to the post office. I don't want to give up to much information, but we will need the address of a special grandparent(s), or grandparent like family friend. PLEASE send those addresses to school for me no later that February 9th.

Parent/teacher conferences are fast approaching and I want everyone to know you have the option for a home visit if you would like. These will be done on Fridays.

Conferences are on February 9th at school, otherwise we can meet Friday, February 3rd. Please let me know asap if you want to meet Friday.
